## Healsafe Glasses and Water Pitcher

### Datasheet

#### Technical Data

145601: H 90 mm, diam 73 mm

145600: H 135 mm, diam 85 mm

145602: H 210 mm, diam 135 mm

Designed and made in Sweden.

#### Materials

145600, 145602 – Polycarbonate

145601 – Bio Pet-G

#### Maintenance

The products are dishwasher safe and last longer.

Please bear in mind that in comparison with ordinary glass, plastic glasses will obtain a duller surface with time.

#### Warranty

The product is to be seen as 'reusable'\* with a limited life span through its design and choice of risk reducing material, therefore no warranty is applicable.

#### Sustainability

Recycling as plastic.

\*'Reusable' plastic products are aimed to have a longer life span than ordinary disposable products. Dishwasher and microwave use is accepted, as well as mild detergents. However, we cannot guarantee maximum dishwasher cycles, microwave wattage, freezer or oven settings, since all machines operate differently.

#### ABOUT HIPAC

We are an Australian healthcare company that guarantees to stand behind all our medical products, both manufactured and imported, because we're here for the life of our products and clients.
