

Healsafe Toilet Brush

Datasheet

Toilet Brush

Plain, robust and flexible design for challenging environments.

- The shaft can not be broken and thus not made sharp.
- Looks and works like a regular toilet brush.
- Including wall mounted container and safe wall bracket.

Ordinary toilet brushes can be broken and used as a sharp tool. Our design reduces the risk of self-harm or the risk of harming someone else. The flexible brush is made of a special polymer. The toilet brush container is hung on a wall bracket to facilitate floor cleaning. The wall bracket is flexible and makes ligature fixation impossible.

Sold in packs of 5 pcs.

Assortment

145592 Healsafe Toilet Brush, 5pcs
c/w wall bracket

145593 Healsafe Replacment Toilet Brush, 5pcs

Technical Data

H: 390 mm, W: 75 mm, D: 90 mm

The wall bracket is flexible and durable and keeps its function after releasing 1000 cycles, tested by SP/RISE.

Designed and produced in Sweden.
