

## Stainless Steel Surround

### Datasheet

A stylish 2mm thick brushed Stainless Steel surround which gives maximum durability and is easy to maintain. No visible fixings on the patient side. The pressed countersunk fixing holes help prevent risk of their fixing pulling through the surround on abuse.

#### Stainless Steel Surround Benefits

- Reduces risk of self-harm
- Helps eliminate ligature attachments
- Helps reduce infection control

#### Stainless Steel Surround Features

- No visible fixings on patient side
- Softened inner and outer edges
