

Kestrel Magnetic Suspension System

The Kestrel range of products have a five year warranty against manufacturing defects or workmanship, subject to normal wear and tear.

This warranty does not apply if any of the following exclusions exist:

- the product has been subject to misuse, abuse, neglect, negligence, accident, or has been operated in any way contrary to manufactures operating instructions or specifications
- damages or conditions that have resulted from improper cleaning, maintenance, care or repair of the product/products
- the product has been improperly installed or not installed according to manufactures guidelines or specifications
- manufacturers written instructions for installation and wiring of electrical connections were not followed
- the product has been used to perform functions or operated in a manner contrary to its design or otherwise is used in a manner contrary to or in excess of manufactures specifications, drawings, or instructions
- the product is used with electrical accessories or parts, including switches, relays, or other accessory components, that have not been previously approved in writing by the manufacturer
- if any electrical accessories and other components have been used in disregard to the basic wiring diagram for which they were designed
- failure to comply with all manufacturers written instructions and specifications
- repairs made necessary from normal wear of the product or by use of parts or accessories which are either incompatible with the product or otherwise adversely affect its operation, performance, or durability
- product used for non interior applications or otherwise exposed to outdoor environmental conditions

Disclaimer:

All products must be fitted as per the directions detailed in the individual product Installation Instruction Document. Hipac takes no responsibility for incorrect installation/operation of the product. By purchasing this product, you are confirming that the product will be fitted as per the instructions.

Please note that Hipac offers a range of measures designed to reduce the risk of self-harm or suicide and does not offer any guarantee that it will not take place. The solutions have been designed as a deterrent only.

ABOUT HIPAC

Operating at the forefront of healthcare, we strive to redefine what's possible. We provide superior products, design expertise and total solutions to help create environments where nothing stands in the way of patient care.
