

Anti-Ligature 1L Soap Dispenser

Description

- 1L liquid soap dispenser.
- contemporary angular design reduces the potential for attaching a ligature for the purposes of self-harm.
- internal 2mm stainless steel brackets provide strength to protect against vandalism.
- finished with an attractive brushed steel surface or powder coating.
- also available in white and blue to provide high-contrast identification to aid recognition for individuals with dementia.
- strong baton lock protects the contents.
- easy for staff to refill.
- manufactured from high-grade stainless steel for robustness and durability.
