

Anti-Ligature Jumbo Toilet Roll Holder

Description

- jumbo toilet roll dispenser.
- contemporary angular design reduces the potential for attaching a ligature for the purposes of self-harm.
- dispenser fits securely into the recess provided by the wall plate, further preventing the potential for ligature points in high-risk areas.
- also available in white and blue to provide high-contrast identification to aid recognition for individuals with dementia.
- easy for staff to refill.
- recessed lock protects the contents.
- manufactured from high-grade stainless steel for robustness and durability.
- finished with an attractive brushed steel surface or powder coating.
